Sweepstakes Judge Sue Acquistapace

I began my life in Danes in 1981 when, after writing to countless breeders (the old-fashioned, hand-written, mailed-letter way), someone finally agreed to ship a "show" puppy to Alaska.

That puppy, owner-handled by me, went on to be the youngest Dane in the breed (at the time) to win a 5-point major at 6 months and 2 days. She attained her AKC and CKC championships, CDs in both countries, and she won several group placements including winning the group in Canada (back in the day when there was no Herding group — those breeds were part of the Working group).

I have been a member of the GDCA since 1982 and have bred a handful of litters over the years. I feel very fortunate to have begun my "dog" career in Alaska, where we had very few shows so we spent a lot of time attending seminars and taking part in other educational and training opportunities; by doing so, I learned a lot about what I was looking at.

I was fortunate enough to attend a live seminar put on by Rachel Paige Elliott of *DogSteps* fame. We spent days reviewing 16mm film about structure and movement. What a fabulous foundation to understanding the connection between form and function! I have attended well over 100 seminars since that time, and feel that there is always more to learn.

I have been a part of GDCA judges' education as a student and have served as a ringside mentor at a National. I have judged 2 other sweepstakes, judge Australian Shepherds for ASCA, and have judged countless matches.

I am a student of the dog, and as a Great Dane breeder/owner/handler for the past 37 years, I am excited to judge your sweepstakes and thank you for inviting me to your event.

AM Specialty Judge Arnecia Eckenrode

I got my first great Great Dane in 1969, breeding under the prefix of DaneMate until I bred a bitch to CH Rojon's Oh Boy V Meccadane and produced CH DaneMates Tempest of Jacko.

I decided to change my kennel name to Fame and in that same litter produced CH Rojon's Fame Is The Tony. (Of course the puppy named Rojon's Fame Is The Oscar never finished, due to his loving dog shows too much.)

I bred several more litters with Rojon and produced several more champions. I stopped breeding and showing for a few years and got back into the Arts, creating and selling Great Dane sculptures in wood and bronze.

I resumed breeding and produced CH Fames Pre-Approved and CH Fames Above Prime. I repeated that breeding and produced 3 more champions. My next litter produced 2 champions.

And my last litter produced one boy so I kept him. He finished at 9 months with 4 majors, a breed from the classes over 5 specials, and a BPIS. In 2015, he was

ranked the number eight Great Dane in the country.

I have always bred for myself so my breeding program has been limited. I look forward to the next phase of my Great Dane life and to seeing the beautiful dogs and bitches you honor me to judge.

Good luck to all the exhibitors.

PM Specialty Judge Judy Harrington

My first show dog was a Great Dane purchased as a companion from a breeder of quality. She turned out to have some outstanding attributes that eventually led to her being shown, owner-handled, with great success. When she was awarded Winners Bitch at the National Specialty I knew that I had begun a lifelong devotion to the sport of purebred dogs.

Under the kennel name of Justamere I concentrated on breeding Great Danes that were sound and typey show dogs and good family companions. Eventually my owner-handling led to a career as an all breed handler.

I had the opportunity to represent clients that entrusted me with dogs that to this day remain as outstanding representations of their respective breeds. I finished the first uncropped Great Dane in the US and was also awarded WD with the first natural eared Great Dane to win at a national specialty.

I had fallen in love with the Australian Shepherd breed and have had them in my home for many years now. The pleasure of having my companions also be highly competitive, BIS and specialty winning dogs is proof that you can have it all.

I have served as an officer, board member, judges education chairperson, show chairperson, and several various committees in a number of clubs over the years. It has been my pleasure to judge, on a number of occasions, outside the US; France, Sweden, Finland, Germany, England and Australia with a future assignment in Brussels. It has also been an honor to be invited to judge a number of national and regional specialties of various breeds, as well as 4 Top 20 competitions at various national specialties. Among previous assignments are the prestigious Westminster Kennel Club and The Eukanuba National Championship shows. I am currently licensed to judge BIS, all Working and Sporting breeds, and various breeds in the Hound, Toy and Herding Groups.

I have enjoyed volunteer work at the Women's Center at a local hospital and also worked with the Equine Program for the Handicapped. Prior to my involvement in the sport of dogs I had trained and shown Morgan Horses (the old type).

Wishing all exhibitors, breeders and spectators a most enjoyable show! For all of us the passion for our sport has enriched our lives with friendships, support and fond memories. May they continue.

Thank you for the invitation to be a part of this event.

4-6-Month Puppy Judge Diane Price

My husband Ken and I have had Newfoundlands since 1975 when we purchased our first dog from Shelby Guelich of Pooh Bear Kennels in California. We have since been devoted to this magnificent breed.

In 1979 we took a pick male from Stormalong Kennels. "Brigus" was one of the top producers in that era, also becoming a ROM. His true claim to fame was his son Multi BIS/BISS CH Kendians Cadbury. Cadbury was the number one Newfoundland for 2 years in a row and the number 10 working dog in the USA. He was this country's top winning bronze of all time back then. Truly a very special dog who enabled Ken and me to meet so many wonderful people.

We also had two other number one and two dogs in the USA: Multi BIS/BISS CH Pouch Coves Call of the Wild (London) and AM/DAN Multi BISS CH Pouch Coves Goodfellow (Andrew). Andrew spent six months in Denmark at Cannonbear Kennels and was the number one Stud Dog in Denmark for 2 years. London's daughter Kendi" (Kendians In Your Eyes) was one of the top winning bitches in Europe, and Andrew's daughter "Athena" (BIS/Multi BISS VN. CH Respons' AKA Cookie) was the number one bitch in the USA. We are very proud of these accomplishments!

We have had mostly males, and later enjoyed the girls. "Lexus" (Kendians Hurricane Lexus) — truly our first female — produced 2 wonderful litters for us. We kept 4 of her get. A total of 12 of our dogs I personally finished to their championships, always a challenge.

It is a great honor in my life with Newfies to have judged sweepstakes at six Regional Specialties and at the 1998 National Specialty in California. Since acquiring my AKC judging license, I am fortunate to have been asked to judge many shows here in the USA as well as abroad.

I have judged 10 Newfoundland Specialties in this country and dog classes at the 2017 NCA National Specialty — a dream of mine. I have also judged many Newfoundland National Specialties throughout the world: Italy 3 times, Germany 3 times, Spain, Norway-Sweden (their Morokulien show), the 2014 Fed Cup in Bratislava, and another dream judging assignment: the 50th Anniversary Gold Cup in Denmark. These events have given me so much: not only in my appreciation of seeing so many beautiful Newfoundlands, but also in meeting wonderful people all over the world, many of whom have become close friends.

I have been a member of the Northern California Newfoundland Club since 1977 and the Newfoundland Club of America since 1979, serving on committees for both clubs. I am a Breed Mentor for the Newfoundland Club of America and have chaired/co-chaired eight Regional Specialties and was part of the Show Committee for the 2005 NCA National held in Monterey, California.
